

INDEMNITY & RELEASE FORM

Welcome to the Satellite Badminton Club. You are advised that the club does not provide personal accident insurance for players or spectators. The City of Stirling (Jim Satchell Recreation Centre) has informed the club they will not be held liable for personal injury, loss or damage of personal items.

ALL PLAYERS AND SPECTATORS ENTERING AND/OR PARTICIPATING, DO SO AT THEIR OWN RISK.

Whilst badminton is considered by most to be a low risk activity, there are inherent risks in participating in all sporting activities. We outline the some of the potential risks and hazards below, and the appropriate strategies to address these.

NEW & EXISTING INJURIES

Participation carries the risk of injury. This includes new injuries and injuries related to, or resulting from pre-existing medical conditions.

It is advised that you conduct your own warm up and stretching exercises before play.

If you have a pre-existing medical condition or belong to a high-risk group, please consult a qualified medical practitioner before participating.

EYE INJURIES

Whilst eye injuries are uncommon, there is the potential for eye injuries to occur.

You are advised to purchase and wear your own sporting safety glasses if you are concerned. These are available from most sporting retail outlets.

EQUIPMENT CONDITION

To avoid injury to yourself and other players, please ensure that your footwear, clothing, and racquet are in good condition and suitable for participation.

COURT BOUNDARIES

Whilst others are playing or hitting up, please do not walk on the court. To ensure your own safety, please walk around the perimeter of the court.

Players should also ensure any bags and clothing are neatly tucked away in the seating area.

HAZARDS

If as a player you become aware of any water, broken feathers from shuttlecocks, or other hazardous substances on the court, please remove the hazard or clean the playing area before continuing.

DECLARATION

I have read and understood the above information and I am prepared to play badminton at the Satellite Badminton Club at my own risk. In doing so, I release and indemnify the Satellite Badminton Club, it's participants, and spectators against all liability for all injury, loss or damage arising out of my participation in the club's activities.

The Satellite Badminton Club is a not-for-profit social badminton club. The committee members are all active players at the club who volunteer their time to facilitate play, open and close the premises, and pay the accounts associated with running this activity. Thank you for your support and cooperation.
